

Lorenzo AZZI, DDS, MSc, Ph.D

Chair, School of Dentistry
 Department of Medicine and Technological Innovation, University of Insubria
 Head, Unit of Oral Medicine and Pathology
 Dentistry and Oral Diseases Complex Unit, ASST Sette Laghi University Hospital
 10, Via G. Piatti, Varese (Venate), Italy
Lazzi@uninsubria.it; +39-3476766856

<u>INSTITUTIONAL ACTIVITY</u>	
<u>University activity</u>	
November 2025 – ongoing	Chair, School of Dentistry (DDS predoctoral programme) Department of Medicine and Technological Innovation University of Insubria, Varese, Italy
February 2025 – ongoing	Associate Professor of Oral Medicine School of Dentistry, School of Medicine Department of Medicine and Technological Innovation University of Insubria, Varese, Italy
February 2022 – January 2025	Assistant Professor (Senior) of Oral Medicine School of Dentistry, School of Medicine Department of Medicine and Surgery University of Insubria, Varese, Italy
March 2020 – January 2022	Assistant Professor (Junior) of Oral Medicine School of Dentistry, School of Medicine Department of Medicine and Surgery University of Insubria, Varese, Italy
July 2021 - ongoing	Ethical Committee / Institutional Review Board (IRB) Member, University of Insubria, Varese, Italy
November 2023 - ongoing	Ph.D programme in Experimental and Translational Medicine Teaching Staff member University of Insubria, Varese, Italy
<u>Hospital activity</u>	
February 2025 - ongoing	High Specialization in Oral Medicine and Pathology Dentistry and Oral Diseases Complex Unit ASST Sette Laghi University Hospital, Varese, Italy
March 2020 - ongoing	Head, Unit of Oral Medicine and Pathology Dentistry and Oral Diseases Complex Unit ASST Sette Laghi Hospital, Varese, Italy
May 2020 – ongoing	Clinical Trial Center Member, ASST Sette Laghi Hospital, Varese, Italy
March 2021 – ongoing	Scientific and Technical Committee Member, ASST Sette Laghi Hospital, Varese, Italy
January 2023 – ongoing	Lombardy Region Network for Dentistry and Oral Diseases Co-chair, Group chair (Prof. Giovanni Lodi) Welfare Department, Lombardy Region, Milan, Italy
<u>EDUCATION</u>	
<i>II Level University Master Course (MSc)</i> (April 2023 – April 2025)	Orofacial Pain and Temporomandibular Disorders Chair: Prof. Daniele Manfredini University of Siena, Italy
<i>Postgraduate completion course</i>	Advanced Oral Medicine

(January 2020 – December 2020)	Chair: Prof. Michele Davide Mignogna University of Naples Federico II, Naples, Italy
<i>Post-doctoral researcher</i> (July 2017 – February 2020)	Post-doctoral project entitled “Non-coding RNA expression in Oral Squamous Cell Carcinoma University of Insubria, Department of Medicine and Surgery – Varese, Italy
<i>Postgraduate completion course</i> (May 2018 – October 2018)	Cochrane Systematic Reviews and Meta-analyses University of Modena and Reggio Emilia, Department of Diagnostic Medicine, Clinical and Public Health
<i>PhD</i> (September 2013 – December 2016)	PhD programme in Biotechnology, Biosciences and Surgical Technologies University of Insubria, Department of Biotechnology and Life Sciences – Varese, Italy
<i>Postdoctoral residency programme</i> (January 2010 – November 2012)	Residency programme in Oral surgery – specialist in Oral surgery University of Milan, Department of Biomedical, Surgical and Dental sciences – Milan, Italy
<i>Dental degree (DDS)</i> (October 2004 – October 2009)	Master’s degree in Dentistry and Dental Prosthesis – Doctor of Dental Surgery (DDS) University of Insubria, School of Medicine and Surgery – Varese, Italy
<u>RESEARCH EXPERIENCE</u>	
July 2025 - ongoing	Novel biomarkers for risk stratification of Oral Potentially Malignant Disorders Principal Investigator University of Insubria, Varese, Italy
September 2025 - ongoing	SaliBreast: identification of salivary biomarkers for the detection of early-onset breast cancer Principal Investigator University of Insubria – ASST Sette Laghi University Hospital
February 2023 - ongoing	Immunotherapy: treatment and prevention of oncological and infectious diseases (Immuno-HUB) Ministry of Health, Italy Organization of phase I/II clinical trials for the validation of a mucosal vaccine against SARS-CoV-2
January 2023 - ongoing	Precision medicine in diagnosis and treatment of Oral Squamous Cell Carcinoma, oral Potentially Malignant Disorders, and early-onset neoplasms. Director, research grants programme Department of Medicine and Technological Innovation University of Insubria, Varese, Italy
January 2022 – December 2025	Phase II trial, open label, single-arm, of Immune Checkpoint Inhibitor in High Risk Oral Premalignant Lesions Participation in a multicenter clinical trial that measures the efficacy of Avelumab in preventing the malignant transformation of Oral Potentially Malignant Disorders carrying Loss of Heterozygosity (LOH).
December 2019 - ongoing	Cochrane Oral Health Group Editor: Prof. Giovanni Lodi
January 2019 - ongoing	A novel vaccination strategy based on HLA class II antigens for the treatment of Oral Squamous Cell Carcinoma (<i>Supervisor: Prof. Greta Forlani, Laboratory of General Pathology and Immunology “G. Tosi”, Department of Medicine and Surgery, University of Insubria</i>) Pre-clinical, in vitro and in vivo translational research for the development of a therapeutic vaccination based on the expression of HLA class II peptides to prevent and/or treat recurrent and/or metastatic Oral Squamous Cell Carcinoma.
December 2020 – January 2022	Mucosal immune response in BNT162b2 COVID-19 vaccine recipients Description of the humoral immunity developed both in serum and saliva in healthy subjects undergoing the primary vaccination cycle and the booster dose of the BNT162b2 COVID-19 vaccine. Measurement of total anti-S1 IgG and IgA antibodies in serum and saliva and detection of Neutralizing activity
March 2020 – August 2020	Development of a Rapid Salivary Test to detect SARS-CoV-2 infection (<i>Supervisor: Prof. Mauro Fasano, Department of Science and High Technology, University of Insubria</i>).

	Experimental validation of a rapid salivary antigen test able to detect the presence of SARS-CoV-2 (S) in 10 minutes.
July 2017 – June 2018	Expression of long non-coding RNAs, microRNAs and other non-coding RNAs in Oral Squamous Cell Carcinoma (<i>Supervisor: Prof. Alberto Passi, Laboratory of Biochemistry, Department of Medicine and Surgery, University of Insubria</i>) Characterization of non-coding RNAs in OSCC and analysis of their correlation with clinicopathological outcomes and tumour subtypes.
<i>PhD</i> (September 2013 – December 2016)	Oral microbiome and systemic diseases. This study explored the possible correlations between periodontal microbioma and systemic diseases, particularly <i>Helicobacter pylori</i> gastric infection and Rheumatoid arthritis
	Oral Lichen Planus and Beta2-defensins Beta2-defensins express the degree of inflammation in Oral Lichen Planus, the most common immunological disorder of the oral mucosa
<u>TEACHING ACTIVITY</u>	
<i>Assistant Professor</i> <i>Associate Professor</i> (February 2020 – ongoing)	<u>DDS predoctoral programme:</u> Oral Surgery (4 th year, 1 st semester) Oral Medicine and Pathology (4 th year, 2 nd semester) Clinical Dentistry and Special Needs Dentistry (5 th year) <u>Medicine and Surgery predoctoral programme:</u> Dental and Oral Diseases (5 th year, 1 st semester) <u>Degree course in Dental Hygiene:</u> Oral Medicine and Pathology (2 nd year, 1 st semester)
<i>Adjunct Professor</i> (AY 2016/2017)	Oral surgery DDS predoctoral programme, 4 th year, 1 st semester
<i>Teaching Assistant</i> (AY 2012/2013)	Clinical Dentistry and Special Needs Dentistry DDS predoctoral programme, 5 th year, 1 st and 2 nd semesters
<u>CLINICAL ACTIVITY</u>	
<i>Hospital employment</i> (February 2020 – ongoing)	Unit of Oral Medicine and Pathology (High Specialization Assignment / Hospital-based senior specialist role) Dentistry and Oral Diseases Complex Unit ASST Sette Laghi University Hospital, Varese, Italy Clinical, diagnostic and therapeutic management of patients affected by oral mucosal diseases and jaw bone lesions
	Unit of Oral Surgery – Operating room Dentistry and Oral Diseases Complex Unit ASST Sette Laghi University Hospital, Varese, Italy Clinical, diagnostic and surgical management of oral diseases and jaw bone lesions, including procedures under general anesthesia.
<i>Hospital employment</i> (January 2016-February 2020)	Unit of Oral medicine and pathology, Dental clinic, ASST Sette Laghi, Ospedale di Circolo, Varese, Italy Clinical, diagnostic and therapeutic management of patients affected by oral mucosal diseases and jaw lesions
<i>Oral surgery trainee</i>	
(October 2008 – July 2009)	Unit of Oral and Maxillofacial Surgery, ASST Lariana, Ospedale S. Anna, Como, Italy. Director: Prof. Paolo Ronchi
(January 2010 – November 2012)	Unit of Oral Surgery, Dental clinic, IRCCS Fondazione Ca'Granda, Ospedale Policlinico, Milan, Italy. Director: Prof. Franco Santoro
<i>Oral medicine trainee</i>	
(January 2010 – March 2015)	Unit of Oral Medicine and Pathology, Dental clinic, IRCCS Fondazione Ca'Granda, Ospedale Policlinico, Milan, Italy. Chair: Prof. Francesco Spadari
(January 2010 – December 2015)	Unit of Oral Medicine and Pathology, Dental clinic, ASST Sette Laghi, Ospedale di Circolo, Varese, Italy. Chair: Prof. Angelo Tagliabue

<u>TECNICAL SKILLS</u>	
<i>Clinical trials</i>	Study design, recruitment, resources management, multidisciplinary teamwork, dissemination of results
<i>In-vitro and in-vivo experiments</i>	Cell culture, flow cytometry, PCR, RNA and DNA isolation, ELISA
<i>Languages</i>	English (very good); Italian (native)
<i>Computer skills</i>	Microsoft Office (Word, Power Point, Excel); Keynote; Bioinformatic tools and databases; SPSS; EndNote, RevMan, FlowJo
<u>AWARDS AND OM SCIENTIFIC SOCIETIES</u>	
Section Head	World Workshop on Oral Medicine X Group 5. Clinical Practice Recommendation: Management of Leukoplakia. 01 st March 2026 - ongoing
Assistant Reviewer	World Workshop on Oral Medicine IX Group 5: Oral Medicine program for predoctoral students. 08 th August 2023 – ongoing; Las Vegas, NV, USA
Best Oral Communication Award	National Symposium of the Italian Society of Oral Pathology and Medicine (SIPMO) 14 th -15 th November 2025, Trieste, Italy
Oral Research Presentation Award First Prize	American Academy of Oral Medicine / European Association of Oral Medicine Joint Meeting. 14 th -17 th May 2025, Las Vegas, NV, USA
Young Investigator Award	Head and neck Oncological Personalized outcome by Artificial Intelligence genomic analysis (HOPE-AIMS) 10 th October 2024; Naples, Italy
Best paper Award	Italian Society of Oral Pathology and Medicine (SIPMO) 24 th April, 2021; Milan, Italy
Diploma of Oral Medicine	13 th Biennial Congress of the European Association of Oral Medicine 15 th -17 th September, 2016; Turin, Italy
Young Scientist / Clinician Award	11 th Biennial Congress of the European Association of Oral Medicine 13 th -15 th September, 2012; Athens, Greece
September 2012 – ongoing	European Association of Oral Medicine (EAOM)
October 2015 – ongoing	Italian Society of Oral Pathology and Medicine (SIPMO) Active Member
May 2023 – ongoing	Multinational Association of Supportive Care in Cancer / International Society of Oral Oncology (MASCC/ISOO) Mucositis – Oral Care – Emerging Toxicities group member
