

PERSONAL INFORMATION

Stefano Fanetti stefano.fanetti@uninsubria.itPOSITION**Tenure-Track Researcher in Comparative Private Law / University of Insubria
- Department of Law, Economics and Cultures (Como, Italy)**

WORK EXPERIENCE

RESEARCH WORKMAIN RESEARCH ACTIVITIES

February 2024-Present

Tenure-Track Researcher in Comparative Private Law

(GIUR-11/A-IUS/02 "Comparative Private Law")

University of Insubria - Department of Law, Economics and Cultures (Como, Italy)

June 2020-January 2024

Fixed-term Researcher Type A (RTDa) in Comparative Private Law

(IUS/02 "Comparative Private Law")

University of Insubria - Department of Law, Economics and Cultures (Como, Italy)

June 2019-May 2020

Temporary Research Associate

(IUS/02 "Comparative Private Law")

University of Insubria - Department of Law, Economics and Cultures (Como, Italy)

Title of research project "The use of economic instruments to limit land consumption and its effects on property rights" ("L'uso degli strumenti economici per limitare il consumo di suolo e i suoi effetti sul diritto di proprietà").

August 2017-July 2018

Temporary Research Fellow

University of Insubria - Department of Law, Economics and Cultures (Como, Italy)

Title of research project "Climate policies in Switzerland and the European Union. A comparative analysis between mitigation and adaptation measures" ("Le politiche climatiche in Svizzera e Unione Europea. Un'analisi comparata tra misure di mitigazione e adattamento").

May 2016-April 2017

Temporary Research Associate

(IUS/02 "Comparative Private Law")

University of Insubria - Department of Law, Economics and Cultures (Como, Italy)

Title of research project "Adaptation to climate change: policies and legislation of the EU member states from a comparative law perspective" ("L'adattamento ai cambiamenti climatici: politiche e legislazione degli Stati membri dell'U.E. in una prospettiva di diritto comparato").

July 2013-March 2015

Temporary Research Associate

(IUS/02 "Comparative Private Law")

University of Insubria - Department of Law, Economics and Cultures (Como, Italy)

Title of research project "Climate change and tragic choices: the support for renewable energy and the soil consumption between clean energy and food needs" ("Cambiamenti climatici e scelte tragiche: il sostegno alle rinnovabili e il consumo del suolo tra esigenze di energia pulita e necessità alimentari").

April 2011-March 2013

Temporary Research Associate

(IUS/02 "Comparative Private Law")

University of Insubria - Faculty of Law (Como)

Title of research project "The impact of EU energy policies at national and regional level" ("L'impatto delle politiche energetiche comunitarie su scala nazionale e regionale").

OTHER RESEARCH ACTIVITIES AND COLLABORATIONS

April-May 2026	Visiting Researcher Maynooth University (Ireland)-School of Law and Criminology Twelve-day research period, from 20 April to 2 May 2026. The research focused on the role of disaster insurance in climate change adaptation policies and on the interactions between insurance instruments, property rights and territorial resilience.
Since 2025	Project participant - "Varese Cultura 2030" Project funded by Fondazione CARIPLO
November 2023-May 2025	Project Team Member - "Cultural Extended Reality Routes" (CERR) Project funded within the NODES (North-West Digital and Sustainable) project
November 2023-May 2025	Project Team Member - "Immersive Textile Museum" (ITR) Project funded within the NODES (North-West Digital and Sustainable) project
October 2023-February 2026	Project participant - PRIN 2022 Next Generation Ita. Increasing Trust, Making Future Generations Possible - National research project (PRIN) coordinated by Prof. Tiziana Andina (University of Turin), financed by the Italian Ministry for University and Research.
2023	Project participant - "Environmental and Territorial Protection: River Contracts as an Opportunity for Enhancing Resources between Sustainability, Intergenerational Responsibility, and Participatory Rights" ("Tutela dell'ambiente e del territorio: i "contratti di fiume" come occasione di valorizzazione di risorse tra sostenibilità, responsabilità intergenerazionale e diritti partecipativi") University of Insubria - Department of Law, Economics and Cultures (Como, Italy).
December 2022-November 2023	Co-Investigator in the project "Climate Change: Observatory of Social Mobilization" (COSMO) University of Insubria (Principal Investigator: Valentina Albanese).
October 2022-March 2026	Project participant - NODES (North-West Digital and Sustainable) project Participant in Spoke 3 (Culture and Tourism Industry) of NODES, the innovation ecosystem on Culture and Tourism, funded by the Ministry of University and Research (MUR) under Italy's National Recovery and Resilience Plan (PNRR).
Since March 2022	Member of the Scientific Board of the Research Center on Sustainable Fashion University of Insubria - Department of Law, Economics and Cultures (Como, Italy).
Since 2022	Member of the Observatory on Sustainable Resources, Production and Consumption of the journal "Il Diritto dell'Agricoltura"
Since January 2021	Member of the Research Center on Swiss Law University of Insubria - Department of Law, Economics and Cultures (Como, Italy).

Since 2020 **Member of the Scientific Committee of the UNESCO Chair “Gender Equality and Women’s Rights in the Multicultural Society”**

UNESCO Chair “Gender Equality and Women’s Rights in the Multicultural Society”, established at the University of Insubria (Chairholder: Prof. Barbara Pozzo).

July 2020-February 2024 **Project participant - PRIN 2017**

The One Belt - One Road (OBOR) Initiative: Legal Issues and Effects on the Financing and Development of Italian Maritime and Multimodal Infrastructures by Chinese Investors - National research project (PRIN) coordinated by Prof. Stefano Zunarelli (University of Bologna), financed by the Italian Ministry for University and Research.

Since October 2019 **Member of the Editorial Committee of the journal “Rivista Giuridica dell’Ambiente”**

August 2019 **Visiting Scholar**

Northumbria University (Newcastle)-Law School

Two-week research period with Prof. Dr. Gitanjali N Gill (Professor of Environmental Law). The research focused on the role of insurance in climate change adaptation policies.

Since 2013 **Member of SIRD - Italian Society for Research in Comparative Law**

Scientific association committed to the promotion of comparative law and cooperation among legal scholars at national and international levels; it organizes conferences and educational activities, and supports research and the dissemination of Italian comparative legal scholarship.

Since September 2012 **Member of the Forum of Legal Experts on Climate Change Adaptation**

International research group on legal issues related to adaptation to climate change. The Forum brings together experts from European countries and Taiwan.

September 2012-October 2012 **Visiting Researcher**

University College London-Energy Institute

One-month research period alongside some of the world’s best specialists on energy law.

2012 **Co-Editor of the research: “Indagine tecnico-giuridica a supporto del Programma di Ricerca e Sperimentazione in materia di Risorse Minerarie ed Energetiche di Regione Lombardia”**

Fondazione Lombardia per l’Ambiente (Lombardy Foundation for the Environment)

Analysis of regulations at European, national and regional level concerning the mineral resources and study of the legal framework of geothermal energy.

2011-2013 **Project participant - PRIN 2009**

The application of quantitative analysis in the legal field - National research project coordinated by Prof. Antonio Gambaro (University of Milan), financed by the Italian Ministry for University and Research.

2008-2010 **Project participant - PRIN 2007**

Legislative Multilingualism - National research project coordinated by Prof. Antonio Gambaro (University of Milan), financed by the Italian Ministry for University and Research.

TEACHING ACTIVITIES

OFFICIAL COURSES

- Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law (48 hours – first semester), Second cycle degree in

Environmental Sciences, University of Insubria - Department of Science and High Technology;

- Corporate Environmental Responsibility - mod.2 - (25 hours – first semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese);
- Environmental Impacts – mod. Environmental Assessments and Environmental Law (20 hours – first semester), Bachelor's Degree Programme in Environment and Workplace Prevention Techniques, University of Insubria - Department of Medicine and Surgery.
- Swiss Private Law (50 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como);
- Comparative Private Law (20 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como).

2024/2025 (academic year)

Official courses:

- Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law (48 hours – first semester), Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology;
- Corporate Environmental Responsibility - mod.2 - (25 hours – first semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese);
- Swiss Private Law (50 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como);
- Comparative Private Law (25 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como).

2023/2024 (academic year)

Official courses:

- Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law (48 hours – first semester), Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology;
- Corporate Environmental Responsibility - mod.2 - (25 hours – first semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese);
- Swiss Private Law (50 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como);
- Comparative Private Law (25 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como).

2022/2023 (academic year)

Official courses:

- Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law (48 hours – first semester), Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology;
- Corporate Environmental Responsibility - mod.1 - (25 hours – first semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese);
- Swiss Private Law (50 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como);
- Comparative Private Law (25 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como).

2021/2022 (academic year)

Official courses:

- Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law (48 hours – first semester), Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology;
- Swiss Private Law (50 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como).

2020/2021 (academic year)

Official courses:

- Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law (48 hours – first semester), Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology;
- Swiss Private Law (50 hours – second semester), Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como).

2019/2020 (academic year)

Contract Professor (Comparative Private Law)

Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese)

40 hours – second semester.

2019/2020 (academic year)

Contract Professor (Comparative Public Law)

Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese)

20 hours – second semester.

2019/2020 (academic year)

Contract Professor (Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law)

Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology

40 hours – first semester.

2018/2019 (academic year)

Contract Professor (Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law)

Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology

40 hours – first semester.

2017/2018 (academic year)

Contract Professor (Environmental and occupational toxicology with elements of environmental law - mod.b - elements of environmental law)

Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology

40 hours – first semester.

2017/2018 (academic year)

Contract Professor (Comparative Private Law, mod. 2)

Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese)

34 hours – first semester.

- 2017/2018 (academic year) **Contract Professor (Comparative Private Law, mod. 2)**
Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Como)
30 hours – first semester.
- 2017 **Contract Professor (“Private law instruments for the prevention of chemical risk – mod.a”)**
Postgraduate School of Chemical Risk Assessment and Management, University of Insubria - Department of Science and High Technology
8 hours.
- 2016 **Contract Professor (“The REACH and CLP Regulations – mod.b”)**
Postgraduate School of Chemical Risk Assessment and Management, University of Insubria - Department of Science and High Technology
10 hours.
- 2015/2016 (academic year) **Contract Professor (Comparative Private Law)**
Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese)
39 hours – first semester.
- 2014/2015 (academic year) **Contract Professor (Comparative Private Law)**
Long single cycle degree programme in Law, University of Insubria - Department of Law, Economics and Cultures (Varese)
40 hours – second semester.
- 2011/2012 (academic year) **Contract Professor (Advanced Comparative Private Law)**
Law degree programme, University of Insubria – Faculty of Law
35 hours.

OTHER TEACHING ACTIVITIES

- 2026 **Lecture: International Spring School “Law, Economics and Cultures in the European Space: Dialogues between Italy and Romania”**

2014 and 2015 Class Tutor: "Summer School Critical Topics in Environmental Law in Comparative Perspective"

University of Insubria - Department of Law, Economics and Cultures

Summer School, organized in Como, in collaboration with the University of California at Davis.

2014, 2015, 2017, 2018, 2019,
2022, 2023, 2024, 2025, 2026

Speaker: Mountain Safety Course

Second cycle degree in Environmental Sciences, University of Insubria - Department of Science and High Technology

Delivered lectures as part of the SIM (Mountain Safety) Course on "Legal Problems Related to Climate Change" (2014, 2015, 2017, 2018, 2025 and 2026) and "The Climber's Responsibility" (2019, 2022, 2023 and 2024). The course is usually held in Chiareggio (SO), while the 2024 edition took place in Valsassina (LC).

2013 Lectures: Postgraduate course "Renewable energy sources in mountain contexts"

"Center of Applied Studies for the Sustainable Management and Protection of Mountain Areas (GeSDiMont)" - Mountain University, University of Milan

On May 24-25, 2013 delivered lectures on the following topic: "Legal framework on energy: European, National and Regional policies and incentives". Location of the course: Edolo (BS).

2012 Lectures: "Summer School in Environmental Law"

Russian Law Academy of the Ministry of Justice of the Russian Federation - University of Insubria, Faculty of Law

During the Summer School (St. Petersburg, June 18-22, 2012). delivered two lectures (in English) on EU policies and legislation on climate change and renewable energy sources.

2011-2013 Lectures: Corso di Perfezionamento "Le Politiche Energetiche e i cambiamenti climatici" (Postgraduate course "Energy policies and climate change")

University of Milan – Faculty of Law

Delivered lectures on European and Italian policies and legislation on renewable energy sources

OTHER WORK EXPERIENCES

2016-2019 Lawyer (Como Bar Association)

Field of activity: consultancy on environmental and energy law, anti-money laundering legislation, financing and subsidies for businesses.

2011-2014 Lawyer (Como Bar Association)

Field of activity: consultancy on environmental and energy law.

January 2010-February 2011 Advisor

MP Legal Sagl, Maroggia, TI-CH

Field of activity: transport, shipping, environment and energy law. Claim management and drafting of contracts.

January 2008-December 2009

Advisor

Studio Legale Piccinini e Associati, Genova

Field of activity: transport, shipping and insurance law.

September 2007-November 2007

Intern

Studio legale Bonelli Erede Pappalardo, Milano

Field of activity: research in the field of energy law, aimed, among other things, at the mapping of European, national and regional legislation and policies on renewable energy sources.

2006-2008

Trainee Lawyer

Studio Legale Di Natale, Como

Field of activity: private law.

EDUCATION AND TRAINING

2023

National Scientific Qualification (ASN) for associate professor

Obtained the national scientific qualification (ASN) for the role of associate professor in Comparative Law (Competition Sector 12/E2 – Comparative Law), valid from 5 June 2023 to 5 June 2034.

18 April 2011

PhD in Comparative Law

University of Milan

Ph.D. thesis: "Fonti energetiche rinnovabili: incentivi economici e altri strumenti di supporto. Un'analisi di diritto comparato" ("Renewable energy sources: economic incentives and other means of support. An analysis of comparative law").

AY 2006-2007

Master Degree in Environmental Law (1st level)

University of Milan – Faculty of law

"Le responsabilità delle imprese in campo ambientale" ("Corporate liability in the environmental field").

12 October 2006

Laurea Specialistica in giurisprudenza (Law Degree) – with honours

University of Insubria – Faculty of Law

Thesis: Le azioni positive. Un'analisi di diritto comparato ("Affirmative Action: A Comparative Law Analysis").

13 December 2004

Bachelor's degree in juridical sciences – with honours

University of Insubria – Faculty of Law

Thesis: Il nazismo e il consenso. Tre diversi livelli di adesione al regime: Höss, Speer e Heidegger ("Nazism and consensus. Three different degrees of support to the regime").

November 2009-March 2010

Corso di perfezionamento "La responsabilità per danni all'ambiente, bonifiche e assicurabilità dei rischi ambientali" (Postgraduate course "The liability for environmental damage, recovery and insurability of environmental risks")

University of Milan

August 2009

Diplôme de Droit Comparé – Premier Cycle

Faculté Internationale de Droit Comparé (Strasbourg)

Classes in English. Location of the Course: Bucharest.

July 2009

Summer School in comparative law

University of Insubria

Summer School organized in collaboration with University of Nevada, William S. Boyd, School of Law. Classes in English.

July 2005

Summer School in comparative law

University of Insubria

Summer School organized in collaboration with Louisiana State University (Paul M. Hebert Law Center), University of Bologna and University of Milan. Classes in English.
