## Part IV – Teaching experience

---

### Undergraduate students

- 2023-today: Economics and Corporate Social Responsibility (M.Sc. in Communication Sciences, University of Insubria)
- 2022-2023: Evolution of Markets and Industry Digitalization (B.Sc. in Communication Sciences, University of Insubria)
- 2021-today: Economics, Tourism and Territory (B.Sc. in Communication Sciences, University of Insubria)
- 2017-2023: Transport Economics (M.Sc. in Global Entrepreneurship Economics and Management, University of Insubria); Teaching assistant for Prof. E. Maggi
- 2017-2021: Public Finance (B.Sc. in Economics and Management, University of Insubria); Adjunct professor and lecturer
- 2017-2021: Industrial Economics (B.Sc. in Economics and Management, University of Insubria); Teaching assistant for Prof. E. Maggi
- 2018-2021: Economics of Innovation (M.Sc. in Global Entrepreneurship Economics and Management, University of Insubria); Teaching assistant for Prof. A. Vezzulli

### Graduate or PhD students

- Law and Economics (PhD program in Law and Human Sciences, University of Insubria)
  - 2024: Economic analysis and game theory for EU sustainability normative and corporate social responsibility directives (6 hours)
- Transport Decision Making and Sustainability (PhD program in Methods and Models for Economic Decisions, University of Insubria):
  - 2023: Innovation Diffusion in Transportation (6 hours)
  - 2022: Active and Sustainable Mobility in Later Life (3 hours)
  - 2020: Local Public Transports and the Mobility of over 65s (4 hours)
  - 2019: Cost-Benefit Analysis for Transport Infrastructures (12 hours)
  - 2018: Cost-Benefit Analysis for Transport Infrastructures (8 hours)

## Part V – Society membership, honors, grants, and fellowships

---

- 2022-today: Network on European Communications and Transport Activities Research (NECTAR) membership – Cluster 5 (Leisure, Recreation and Tourism)
- 2016-today: Italian Society of Transport Economics and Logistics (SIET) membership
- 2018-today: Italian Association of Regional Science (AISRE) membership
- May 2021-January 2023: Fondazione Cariplo grant as academic investigator for the research project MOVEON (MObilità leggera in Valle OloNa), ID n. 2019-1421
- May 2019-April 2021: Fondazione Cariplo grant as academic investigator for the research project HAPPY (Health, Accessibility, Public transport Policies for elderly), ID n. 2018-0829
- 2019: Editor's choice award (Maritime Economics and Logistics; reference: Prof. H. Haralambides) for the paper "*Merger waves and alliances stability in container shipping*", with C. Ferrari and A. Tei (University of Genoa)
- 2017: Best PhD dissertation award by the School of Social Sciences of the University of Genoa

- 2016: Selected among the 20 best PhD research projects by the European Logistics Association (ELA) Doctorate Workshop 2016 (reference: Prof. P. Evangelista)
- Three-year fellowship (2014-2016) for the PhD in Economics granted by the University of Genoa

## Part VI – Research activities

---

### Conferences and workshops presentations

- **2025:** 66<sup>th</sup> Conference of the Italian Economic Society (SIE), Naples (Italy), 23-25 October; NECTAR Cluster 5 Workshop, Kyoto (Japan), 7-8 October; 37<sup>th</sup> Conference of the Italian Society of Public Economics (SIEP), Naples (Italy), 18-19 September; NECTAR Cluster 5 Workshop, Como (Italy), 10-11 September; 27<sup>th</sup> Conference of the Italian Association of Transport Economics and Logistics (SIET), Monopoli (Italy), 8-9 September; 64<sup>th</sup> Congress of the European Regional Science Association (ERSA), Athens (Greece), 26-29 August; Annual Conference of the Italian Statistical Society (SIS), Genoa (Italy), 16-18 June; NECTAR Cluster 5 Workshop, Berlin (Germany), 5-6 June; 61<sup>st</sup> Conference of the Italian Society of Economics Demography and Statistics (SIEDS), Rome (Italy), 28-30 May; 23<sup>rd</sup> Annual Workshop of the Italian Society of Industrial Economics and Policy (SIEPI), Bologna (Italy), 30-31 January.
- **2024:** 16<sup>th</sup> Conference of the Italian Association of Tourism Sciences (SISTUR), Paestum (Italy), 31 October – 2 November; 26<sup>th</sup> Conference of the Italian Association of Transport Economics and Logistics (SIET), Milan (Italy), 18-20 September; NECTAR General Conference, Brussels (Belgium), 2-5 July; 10<sup>th</sup> International ASTMed Conference, Bertinoro (Italy), 19-21 June; 60<sup>th</sup> Conference of the Italian Society of Economics Demography and Statistics (SIEDS), Milan and Castellanza (Italy), 22-24 May.
- **2023:** 15<sup>th</sup> Conference of the Italian Association of Tourism Sciences (SISTUR), Taormina (Italy), 16-18 November; 62<sup>nd</sup> Congress of the European Regional Science Association (ERSA), Alicante (Spain), 28 August – 1 September; 25<sup>th</sup> Conference of the Italian Association of Transport Economics and Logistics (SIET), Trieste (Italy), 22-23 June; 59<sup>th</sup> Conference of the Italian Society of Economics Demography and Statistics (SIEDS), Naples (Italy), 25-26 May.
- **2022:** Annual Conference of the International Transportation Economics Association (ITEA), Toulouse (France), 15-17 June; 43<sup>rd</sup> Annual Scientific Conference Italian Association of Regional Science, 5-7 September; 24<sup>th</sup> Conference of the Italian Association of Transport Economics and Logistics (SIET), Varese (Italy), 8-9 September; NECTAR Cluster 5 Workshop, Évora (Portugal), 12-14 September.
- **2021:** 62<sup>nd</sup> Annual Conference of the Italian Economic Association (SIE), online web conference, 26-29 October; 42<sup>nd</sup> Annual Scientific Conference Italian Association of Regional Science, online web conference, 8-10 September; 61<sup>st</sup> European Regional Science Association Congress, online web conference, 24-27 August; Annual Conference of the International Transportation Economics Association (ITEA), online web conference, 21-26 June.
- **2020:** 61<sup>st</sup> Annual Conference of the Italian Economic Association (SIE), online web conference, 20-23 October; 22<sup>nd</sup> Conference of the Italian Association of Transport Economics and Logistics (SIET), online web conference, 17-18 September; 60<sup>th</sup> European Regional Science Association Congress, online web conference, 25-27 August.
- **2019:** 6<sup>th</sup> International Workshop on the Socioeconomics of Ageing, 25-26 October (Lisbon); 47<sup>th</sup> European Transport Conference ‘Planning for Sustainable Land Use and Transport’, 9-11 October (Dublin); 41<sup>st</sup> Annual Scientific Conference Italian Association of Regional Science, 16-18 September (L’Aquila); 24<sup>th</sup> International Conference, “Living and Walking in Cities”, 12-13 September (Brescia); 21<sup>st</sup>

Conference of the Italian Society of Transport and Logistics Economists (SIET) “Transport and sustainability”, 9-10 September (Bologna); 59<sup>th</sup> European Regional Science Association Congress “Cities, regions and digital transformations: opportunities, risks and challenges”, 27-30 August (Lyon).

- **2018:** 20<sup>th</sup> Conference of the Italian Association of Transport Economics and Logistics (SIET), 20-22 June (Milan); 58<sup>th</sup> European Regional Science Association Congress, 3-6 June (Lugano); 55<sup>th</sup> Scientific Conference of the Italian Society of Economics, Demography and Statistics (SIEDS), 24-25 May (Varese)
- **2017:** 39<sup>th</sup> Scientific Conference Italian Association of Regional Science, 20-22 September (Cagliari).
- **2016:** 18<sup>th</sup> Conference of the Italian Association of Transport Economics and Logistics (SIET), 4-5 July (Genoa); European Logistics Association Doctorate Workshop 2016, 22–25 June (Wien).

### **Seminars, workshops, and conferences organization**

- 2025: Local organizer of the NECTAR Cluster 5 (Leisure, Recreation and Tourism) International Workshop, “Tourism Degrowth and Sustainable Transportation: Perspectives, Linkages and Policies”, Como (Italy), 10-11 September
- 2022: Local organizer of the 24<sup>th</sup> Conference of the Italian Association of Transport Economics and Logistics (SIET), Varese (Italy), 8-9 September
- 2022: Convenor of the special session “The role of sustainable transport and energy in the green transition of territories”, 42<sup>nd</sup> Annual Scientific Conference Italian Association of Regional Science, Milan (Italy), 5-7 September
- 2021: Convenor of the special session “Policies and Services for Healthy and Active Ageing: Challenges and Perspectives for the Post Covid-19 Ageing Society” – 61<sup>st</sup> European Regional Science Association Congress, online web conference, 24-27 August
- 2020: Convenor of the special session “Policies and Services for Healthy Ageing and Well-being in Later Life” - 60<sup>th</sup> European Regional Science Association Congress, online web conference, 25-27 August
- 2020: Organizer of the webinar “Cycletourism in Italy”, University of Insubria and Federazione Italiana Ambiente e Bicicletta (FIAB), 9 July.
- 2018: Organizer of the workshop “Mix-and Move: bike-to-work scenarios in Varese and in the Canton Ticino”, University of Insubria, Municipality of Varese, and Federazione Italiana Ambiente e Bicicletta (FIAB), 21 September (Varese).
